CSBS Faculty Senate Minutes
April 19, 2021

Present: Bob Dise, Tyler O’Brien, Carolyn Hildebrandt, Heather Kennedy, Laura Parker, Jayme Renfro, Ben Davis (for Herb Flather), and Greg Bruess

Absent: Lisa Tabor and Herb Flather

1. Senate approved the minutes from March 15, 2021 and April 5, 2021.

2. Geography presented their curriculum package. We decided to wait on approving their package until after they consult with Anthropology on a couple of courses. When they receive a reply from Anthropology, they'll email me, and then I'll let the Senate know. We will then approve the Geography package by email.

3. We approved the curriculum changes for Family Services, Psychology, and Social Science Teaching.

4. Discussed was who will be on the CSBS Senate next year. Herbert Flather’s term ends this summer. He will consult with his department to extend for a second term or if they will replace with another representative. Upon confirmation of 2021-22 Senate members, Senate will elect next year’s Chair, Vice Chair, and Secretary, by email or during a short (very short) Zoom meeting.

Meeting adjourned

Respectfully submitted,

Carolyn Hildebrandt (substituting for Lisa Tabor)
