Talking Points:  
- SW 1041 is found in 4 different university programs.  
- SW 1041 attracts a lot of attention from other programs.  
- Including it may attract students to our major or minor.  
- Want to collaborate with other departments as we may want to include their classes in our future projects.  
- SW 1041 would be 1 of several electives to pick from in the menu of elective options for the track.  
Approved 2-25-2022. SW 1041 is now found in 5 different university programs.  
Recommend the BSW program cap course involvement at 5. Take into consideration class cap and amount of offerings.
