INTRODUCTION

The Department of Social Work at the University of Northern Iowa offers a bachelor's degree in social work. The program was reaccredited by the Council on Social Work Education (CSWE) in June 2015. The Council on Social Work Education (CSWE) is a nonprofit national association representing more than 2,500 individual members, as well as graduate and undergraduate programs of professional social work education. Founded in 1952, this partnership of educational and professional institutions, social welfare agencies, and private citizens is recognized by the Council for Higher Education Accreditation as the sole accrediting agency for social work education in this country. Educational Policy and Accreditation Standards (EPAS) are used by CSWE to accredit baccalaureate- and masters- level social work programs. EPAS supports academic excellence by establishing thresholds for professional competence. The UNI Social Work program abides by the educational policy and accreditation standards (EPAS) set forth by the CSWE. The CSWE Core Competencies are listed at the end of this handbook.

The goal of undergraduate social work education is to prepare majors, upon graduation, to fulfill the responsibilities of beginning level social work positions. Undergraduate social work education is considered a professional educational program with field education as the capstone experience for students in the social work program at UNI. All students at UNI have Liberal Arts credit requirements. These courses help to ensure that students receive a broad liberal arts education. In addition to completing the University's Liberal Arts Core Program, the Social Work major requires 45 credit hours, which includes the field placement taken in the student's senior year for 11-15 credits, which is a total of 120 total credits for the degree. Students who graduate with a major in Social Work receive a Bachelor of Social Work degree.

PROGRAM MISSION, GOALS & OBJECTIVES, AND CURRICULUM

MISSION STATEMENT

The mission of the UNI BSW program is to prepare students for beginning generalist social work practice at the individual, family, small group, organizational and community levels while adhering to social work values and ethics. Students will learn to use research informed practice to advocate for social and economic justice. This commitment is supported by the promotion of multicultural responsiveness. Critical thinking is a fundamental component of the program that encourages students to examine challenging or opposing concepts and explore conflicting personal and professional values. Service learning requirements, to include volunteer and internship experiences, contribute to the sharing of knowledge between community partners, faculty and student. (Spring 2020)

NASW CODE OF ETHICS/ETHICAL VALUES & PRINCIPLES

Code Preamble: The primary mission of the social work profession is to enhance human well-being and help meet the basic human needs of all people, with particular attention to the needs and empowerment of people who are vulnerable, oppressed, and living in poverty. A historic and defining feature of social work is the profession's focus on individual well-being in a social context and the well-being of society. Fundamental to social work is attention to the environmental forces that create, contribute to, and address problems in living.

The following broad ethical principles are based on social work's core values of service, social justice, dignity and worth of the person, importance of human relationships, integrity, and competence. These principles set forth ideals to which all social workers should aspire. NASW Code of Ethics in full form can be found online at www.uni.edu/csbs/socialwork/field-instruction.

VALUE: Service

Ethical Principle: Social workers' primary goal is to help people in need and to address social problems. Social workers elevate service to others above self-interest. Social workers draw on their knowledge, values and skills to help people in need and to address social problems. Social workers are encouraged to volunteer some portion of their professional skills with no expectation of significant financial return (pro bono service).

VALUE: Social Justice

Ethical Principle: Social workers pursue social change, particularly with and on behalf of vulnerable and oppressed individuals and groups of people.

Social workers' social change efforts are focused primarily on issues of poverty, unemployment, discrimination, and other forms of social injustice. These activities seek to promote sensitivity to and knowledge about oppression and cultural and ethnic diversity. Social workers strive to ensure access to needed information, services, and resources; equality of opportunity; and meaningful participation in decision making for all people.

VALUE: Dignity and Worth of the Person

Ethical Principle: Social workers respect the inherent dignity and worth of the person.

Social workers treat each person in a caring and respectful fashion, mindful of individual differences and cultural and ethnic diversity. Social workers promote clients' socially responsible self-determination. Social workers seek to enhance clients' capacity and opportunity to change and to address their own needs. Social workers are cognizant of their dual responsibility to clients and to the broader society. They seek to resolve conflicts between clients' interests and the broader society's interests in a socially responsible manner consistent with the values, ethical principles, and ethical standards of the profession.

VALUE: Importance of Human Relationships

Ethical Principle: Social Workers recognize the central importance of human relationships.

Social workers understand that relationships between and among people are an important vehicle for change. Social workers engage people as partners in the helping process. Social workers seek to strengthen relationships among people in a purposeful effort to promote, restore, maintain, and enhance the well-being of individuals, families, social groups, organizations, and communities.

VALUE: Integrity

Ethical Principle: Social workers behave in a trustworthy manner.

Social workers are continually aware of the profession's mission, values, ethical principles, and ethical standards and practice in a manner consistent with them. Social workers act honestly and responsibly and promote ethical practices on the part of the organizations with which they are affiliated.

VALUE: Competence

Ethical Principle: Social workers practice within their areas of competence and develop and enhance their professional expertise. Social workers continually strive to increase their professional knowledge and skills and to apply them in practice. Social workers should aspire to contribute to the knowledge base of the profession.

UNDERGRADUATE SOCIAL WORK PROGRAM GOALS

1. Provide an integrated curriculum that builds on a liberal arts foundation and addresses knowledge and skills essential for beginning generalist social work practice with individuals, families, groups, organizations, and communities.
2. Infuse social work values and ethics throughout students' educational experience to serve as guides for practice and promotion of human and social well-being;
3. Promote student understanding of diversity through curriculum that identifies the experiences and needs of vulnerable and oppressed groups while emphasizing resilience and strengths;

4. Increase students' understanding of the types and processes of discrimination and oppression and enhance their ability to promote social and economic justice through advocacy and social reform;
5. Prepare students to engage, assess, intervene and evaluate practice with individuals, families, groups, organizations and communities within a person-in-environment framework.
6. Prepare students to critically assess and apply empirically-based knowledge, evaluate their own practice effectiveness, and participate in the evaluation of programs and policies.

UNDERGRADUATE SOCIAL WORK PROGRAM OBJECTIVES (CSWE Core Competencies)

Competency 1: Demonstrate Ethical and Professional Behavior

Competency 2: Engage Diversity and Difference in Practice

Competency 3: Advance Human Rights and Social, Economic, and Environmental Justice

Competency 4: Engage In Practice-informed Research and Research-informed Practice

Competency 5: Engage in Policy Practice

Competency 6: Engage with Individuals, Families, Groups, Organizations, and Communities

Competency 7: Assess Individuals, Families, Groups, Organizations, and Communities

Competency 8: Intervene with Individuals, Families, Groups, Organizations, and Communities

Competency 9: Evaluate Practice with Individuals, Families, Groups, Organizations, and Communities

SOCIAL WORK MAJOR APPLICATION PROCESS

The Social Work major is accredited by the Council on Social Work Education. This requires an application to the major in addition to the University declaration procedure. Social workers need strong relationship skills, emotional maturity and stability, honesty, good judgment, sensitivity to others, including those from diverse backgrounds, concern about social issues, and the ability to focus on the needs of others. Core social work values include service, social justice, dignity and worth of the person, importance of human relationships, and integrity and compassion. There are many motivations for becoming a social worker. Some motivations, however, are not appropriate. These include the wish to promote religion with clients, the substitution of the social work major for needed personal therapy, and the desire to control others. Also, if you are currently abusing substances, such as drugs, alcohol, etc., these problems should be resolved before applying to become a social work major. The Undergraduate Social Work Admissions Committee reserve the right to deny an applicant's admission to the major based upon factors related to the potential to become a social worker and make positive contributions to the field. The application is reviewed by three department members that serve on the BSW Admissions Committee. All three members need to be in agreement with accepting the student into the social work major. Application requirements include:

1. Complete and submit a social work application. This includes identifying if they have ever been convicted of a felony and if they are listed on the sex abuse registry.
2. Submit a one page resume.
3. Submit a two page autobiographical sketch, which addresses the following items:
 - Discuss your specific motivations leading to your desire to become a social worker based on your background, experiences and interests.
 - What social, economic and/or environmental justice issues are of interest to you as you think about a career in social work?
 - What do you understand as the importance of diversity and difference in shaping a person's life experience? How might that influence your role as a social worker?
 - How do you manage your personal stress?
4. Have a Cumulative GPA of 2.5 or higher.

Students are notified via email and mail with a letter of their acceptance within two weeks of submitting the application. The letter is added to their cumulative folder in the department. A declaration of curriculum is completed by the baccalaureate program administrative assistant and submitted to the university's office of the registrar. The student's advisement report will indicate that the student is a social work major. If the student is denied acceptance into the social work program, they are notified via email and mail with a letter stating the reason for the denial. A student may request a meeting with the committee chair at any time to discuss the reason for the denial and ways to improve their changes if they decide to apply again, if applicable.

At the time of the decision, any contingent conditions associated with a student's application would be included in the admission decision email and letter. The application will be held open for 6 months as the student addresses the contingent conditions. When the student notifies with baccalaureate program administrative assistant of satisfying the contingent conditions within the 6 month timeframe, the application will be accepted. If the student does not notify with baccalaureate program administrative assistant of satisfying the contingent conditions within the 6 month timeframe, the student will have to resubmit a new application.

Procedures: Contingent conditions are shared with the student through email and letter. The application will be held open by the baccalaureate program administrative assistant for 6 months. The application will be accepted upon the student satisfying the contingent conditions within the 6 month timeframe or denied if the contingent conditions or timeframe are not met. Student is notified via email and mail with the decision by the baccalaureate program administrative assistant. (*Accreditation Standard B3.1.2*)

SOCIAL WORK PROGRAM CERTIFICATES

The University of Northern Iowa makes available, in addition to traditional programs, the opportunity for students to earn program certificates. Program certificates provide an alternative to programs leading to a degree, a major, or a minor; they certify that an individual has completed a program approved by the university. For information on the following program certificates, contact the Department of Social Work or the Office of the Registrar, which serves as the centralized registry.

Addictions Treatment Certificate

This UNI certificate program is designed to prepare Social Work majors for the field of substance abuse treatment. To receive a UNI certificate, a student must complete the requirements for the Social Work major (including graduation with a BSW) and the specific course work and field instruction experiences as indicated.

For any student who received a previous degree and returns for the Addictions Treatment Certificate, all requirements of the certificate apply. The returning student must do Field Instruction in an inpatient or outpatient treatment program. Courses may be waived if they were completed for an earlier degree.

Conflict Resolution Certificate

Conflict can be viewed on both the macro and micro system levels. It can be interpersonal, as in the area of individual or family dynamics, or organizational, as in labor, racial/ethnic, or international relations. The Certificate in Conflict Resolution focuses on understanding the roots of conflict, as well as its management or resolution. This certificate is designed for students working toward a baccalaureate degree, and whose anticipated careers may provide opportunities for conflict resolution. Examples of related majors include social work, sociology, criminology, communication studies, education, environmental science, management, public administration, public policy, and political science.

The objectives of the Conflict Resolution program are to:

- provide students with a grounding in conflict theory and approaches to conflict resolution;
- provide students with beginning skills in conflict resolution and management;
- provide opportunities to integrate conflict resolution knowledge and skills in a variety of academic areas.

SOCIAL WORK ACADEMIC ADVISING

The University of Northern Iowa aspires to create the best academic advising experience for each student. Academic Advising is a critical component of the teaching and learning environment at UNI. Advising is a personalized educational experience, empowering students to explore, articulate and achieve their academic, career and life goals. (UNI Academic Advising Vision and Mission Statement found at <https://advising-portal.uni.edu/advising-uni>). Once a UNI student, a student interested in social work is identified as a premajor in Social Work and assigned an academic advisor from UNI's Academic Advising Office, the Social Work Department Head or Social Work BSW Program Director. Once a Social Work major, the Social Work Department provides individualized academic advising support by assigning students to faculty academic advisors who also maintain teaching responsibilities. Students can find out who they are assigned to through their Student Center on MyUniverse. It is the student's responsibility to reach out to their advisors as needed to assist with providing guidance on issues that may include but are not limited to the social work major, course programming, adding an additional major/minor/certificate, adding/dropping courses, course substitutions, transfer courses, graduation requirements and courses. The goal of all academic advising is to help students make responsible decisions as they develop educational plans compatible with their potential and with their social work career passion and goals. (*Accreditation Standard 3.1.6*)

Social Work Policy on the Use of “Incomplete”

A grade of “incomplete” is generally to be discouraged and only employed when faculty conclude that a student is unable to complete assigned course work due to extenuating circumstances. Course requirements that are appropriate for incompletes include, but are not limited to, the requirements in the final 1/6 of the course, final assignments/assessments, and signature assignments. This is not intended for work assigned in the first 12 weeks of the semester. Students must request the course extension in writing to the course instructor. A time frame for completing the course work that is acceptable to both the student and faculty must be agreed upon. It is recommended that this time frame not extend beyond two weeks after the formal course end date. An “I” may convert to an “F” if the incomplete is not resolved by the due date agreed upon. An instructor is under no obligation to accept work from a student after the mutually agreed upon time frame. It is the instructor's decision whether to re-negotiate the agreement. As in all matters related to grading, an instructor's decision about a grade-related matter is final.

POLICIES AND PROCEDURES FOR TRANSFER STUDENTS

More than 35 percent of incoming students have transferred to UNI from two- and four-year schools and almost 50 percent of social work majors are transfer students. The process for transferring to UNI can be found at <https://admissions.uni.edu/transfer>. Students can find out what courses taken at an Iowa community college transfer to UNI for the social work major by checking out Transfer Plans of Study found at <https://admissions.uni.edu/transfer/plans>. Transfer students can consult with Jenny Becker, BA Program Director (Jennifer.becker@uni.edu; 319-273-7881) prior to applying and once admitted to UNI, will register for social work courses with BA Program Director.

FIELD PLACEMENT

FIELD DESCRIPTION

Field instruction is an integral and essential component of Social Work education. It provides a learning experience in a setting where the student has the opportunity to integrate curriculum content, to question the relationship of theory and practice, to develop skills in interpersonal relationships and intervention techniques, to participate in the role of social worker, and to evaluate oneself in that role. There have been many changes in the profession as the trend in social work is toward greater diversity in roles, settings, methods, and clientele. These changes together with the requirements for being a generalist social worker in both urban and rural areas require that field instruction provide learning experiences which will prepare students for a profession that is

developing and emerging toward the future. The student is provided with a variety of experiences which foster the development of skills through which they can begin to be a self-directed learner who can work with confidence, exercise independent judgment, and respond to a diversity of roles and responsibilities.

FIELD OBJECTIVES

1. To offer learning experiences which provide the opportunity for students to use and test the knowledge and skills derived from the curriculum in learning the professional competencies of generalist social workers, through active participation in the delivery of human services.
2. To provide settings where students can develop the interpersonal and communication skills essential for professional Social Work.
3. To help students test themselves and their commitment to social work values and attitudes, and to evaluate their own preparation for the profession.
4. To prepare students to identify the policies, practices, services, and procedures that interfere with effective delivery of human services and to develop strategies for change.
5. To prepare students to develop the skills and attitudes of a self-directed learner.

CREDIT AND TIME REQUIREMENT

Undergraduate students complete 11-15 credits or 440-600 hours of field instruction. For the summer term, students can register for 11-12 credits for 38-40 hours per week for 12 weeks. For the fall or spring term, students can register for 11-15 credits for 27-38 hours per week for 16 weeks. Students are able to count field seminars and, if placed out of area, travel to and from field seminars for up to, but not to exceed 40 hours. (*Accreditation Standard 2.2.5*) The field program does not grant social work course credit or field hours for life experience or previous social work related experience. The field hours can only be completed through the field instruction course. (*Accreditation Standard 3.1.5*)

PLACEMENT PROCESS

Undergraduate students have to be admitted into the social work major, need to have a university and cumulative grade point average of 2.5 or better, have completed SW 1001 Introduction to Social Work and Social Services, SW 4164 Human Behavior and the Social Environment, SW 3185 Social Work Research, SW 2091 Practice with Individuals (grade of C or better), and SW 3192 Practice with Groups and Families (grade of C or better), and have senior standing (90 credits or more completed for degree) to be cleared to register for field instruction. In the semester prior to the field experience, students are required to attend a field orientation session, career service workshop, career service resume review and mock interview, complete a pre-professional sketch, resume, reference list and cover letter, meet with the field director to confirm completion of the aforementioned items, and secured an approved site with a signed contract with an approved field site. For more information about the field experience, the BA Field Manual can be found at <https://csbs.uni.edu/socialwork/field-instruction>

OPPORTUNITIES FOR STUDENT PARTICIATION

(Accreditation Standard 3.1.9)

STUDENT SOCIAL WORK ASSOCIATION: The Student Social Work Association (SSWA) is a student organization from the Social Work Department full of students who want to learn more about the profession. The SSWA brings in speakers and organizes events that help students to become informed and active in the community and with those practicing Social Work. Student who join the SSWA to learn more about the social work program and profession, meet other students in the major and get involved in helping others both on campus and in the community through special projects and events. The SSWA holds bi-weekly meetings on an array of topics such as career exploration in social work, assistance with choosing

classes and de-stress days before finals. The SSWA is also involved in volunteer opportunities throughout the academic year. With no penalty for missing a meeting, students can choose which speakers or events they want to go to. For more information about the SSWA, please visit their website at <https://csbs.uni.edu/socialwork/students/student-social-work-association>.

STUDENT REPRESENTATION ON DEPARTMENT COMMITTEES: Through participating in the Student Social Work Association or by responding to Department requests for student representatives, students have opportunities to represent the student voice at BSW Curriculum Meetings, Field Education Meetings and special committees arranged. Students attend the meeting, ask questions, provide feedback on agenda items, complete special tasks or projects assigned, and communicate issues and results back to the social work student population. Student representatives can change from semester to semester, based on interest.

PROCEDURES FOR RESOLVING STUDENT ACADEMIC ISSUES

CLASSROOM: If a student is displaying academic issues in the classroom, the instructor of the course will work directly with the student to address those issues. If the academic issues continue, the instructor of the course will consult with department faculty during faculty case consultation sessions that are held after curriculum committee team meetings. This session is an opportunity for the instructor to consult with faculty about student successes, concerns, and how to best support them. The instructor can also refer the student to various University support programs, which can include but are not limited to: UNI Rod Library, The Learning Center Services, Student Accessibility Services, Office of Compliance and Equity Management, Student Health Clinic, Counseling Center and Student Wellness Service.

FIELD: If a student is displaying academic issues in field, the instructor of the course will work directly with the student to address those issues. If the academic issues continue, the instructor of the course will consult with department faculty during faculty case consultation sessions that are held after curriculum committee team meetings. This session is an opportunity for the instructor to consult with faculty about student successes, concerns, and how to best support them. The instructor can also refer the student to various University support programs, which can include but are not limited to: UNI Rod Library, The Learning Center Services, Student Accessibility Services, Office of Compliance and Equity Management, Student Health Clinic, Counseling Center and Student Wellness Service.

PROCEDURES FOR RESOLVING STUDENT CONDUCT ISSUES

CLASSROOM: If a student is displaying conduct issues in the classroom, the instructor of the course will work directly with the student to address those issues. If the conduct issues continue, the instructor of the course will consult with department faculty during faculty case consultation sessions that are held after curriculum committee team meetings. This session is an opportunity for the instructor to consult with faculty about student successes, concerns, and how to best support them. If the conduct issues continue, the instructor is to consult with the Department Head. If the student's conduct continues to be problematic and is not aligned with the Social Work program's mission, values and ethics, UNI Academic Ethics/Discipline Policy (<http://www.uni.edu/policies/301>), and/or UNI Student Code of Conduct Policy (<http://www.uni.edu/policies/302>), the student may be counseled out of the program. Students may reach out to UNI's Office of Compliance and Equity Management for guidance and support at any point during this process (117 Gilchrist Hall, (319) 273-2846).

FIELD: Agency supervisors will address any conduct issues with students placed at their agency. If the conduct issues continue, the agency supervisors will notify the faculty liaison assigned to the student. If the conduct issues continue, the faculty liaison can determine if the field director needs to be brought in to assist with the issues through a support plan, or if the student needs to be placed at another site. If a support plan is

put into place and the student's conduct continues to be problematic and not aligned with the Social Work program's mission, values and ethics, UNI Academic Ethics/Discipline Policy (<http://www.uni.edu/policies/301>), and/or UNI Student Code of Conduct Policy (<http://www.uni.edu/policies/302>), the student may be counseled out of the program. Students may reach out to UNI's Office of Compliance and Equity Management for guidance and support at any point during this process (117 Gilchrist Hall, (319) 273-2846).

PROCEDURES FOR TERMINATION

TERMINATION BASED ON ACADEMIC PERFORMANCE: Undergraduate students at the University of Northern Iowa are expected to meet academic standards set by the university and to demonstrate satisfactory academic progress towards earning a degree. Academic Alert and Academic Probation serve to warn students that unless their academic performance improves, they may be placed on Academic Suspension. This policy can be found at <https://registrar.uni.edu/students/academic-standing/undergraduate>

For the Undergraduate program, academic performance standards include a required total grade point average of 2.5 to get into the undergraduate program, a required UNI and total grade point average of 2.5 to enroll in field instruction, and a required UNI graduate point average of 2.5 to graduate. All required undergraduate social work courses will require a C or better to pass the course.

The University's Undergraduate Academic Standing Policy highlight the procedures for Academic Alert, Academic Probation, Academic Suspension, Readmission After Suspension. Following a second suspension, the student will be permanently academically suspended if their UNI term GPA is less than a 2.00. The procedures can be found at <https://registrar.uni.edu/students/academic-standing/undergraduate>.

TERMINATION BASED ON PROFESSIONAL PERFORMANCE: The University has established disciplinary procedures for any student who intentionally commits, attempts to commit, or incites or aids others in committing acts of misconduct. The policy can be found at <https://policies.uni.edu/303>.

The Undergraduate program provides a case consultation process to address student professional performance in the classroom and in field. If student professional performance issues interfere with the student's, other student's abilities to successfully complete the program, and/or the instructor's ability to teach the course, a remediation process is initiated.

At the University level, any student who is found, after appropriate hearing, to have violated any of the rules of personal conduct may be sanctioned up to and including suspension, expulsion or dismissal. The procedures can be found at <https://policies.uni.edu/303>.

The Undergraduate's remediation procedures include a meeting between the student and course instructor (if a classroom issue) or agency instructor (if a field issue) with an action plan to support the student and resolve the issue(s). Step 2 involves a meeting between the student, course instructor and department head (if a classroom issue) or agency instructor (if a field issue) with an action plan developed to support the student and resolve the issue(s). Step 3 involves a meeting between the student and department head (if a classroom issue) or field director (in a field issue) to review lack of progress and alternatives to a social work degree. For field specific issues, an alternative field site may be an option in certain situations prior to be counseled out of the program.

Student supports may include, but are not limited to, classroom or field accommodations, remediation sessions focused on academic and/or performance issues, referrals to the UNI Counseling Center, referrals to Student Accessibility Services, and referrals to the UNI Learning Center.

STUDENT GRIEVANCE ISSUES

Student Academic Grievance Policies and Procedures: UNI provides a process for the redress of academic grievances for graduate and undergraduate students within the framework of academic freedom, the integrity of the course, and the prerogative of the faculty to assign grades. The policies and procedures can be found at <https://policies.uni.edu/1201>.

Student Personal Conduct Appeals: Students may reach out to UNI's Office of Compliance and Equity Management (117 Gilchrist Hall, (319) 273-2846) for guidance and support at any point during the process of evaluation personal conduct issues that are in direct conflict with professional standards outlined in the NASW Code of Ethics for practicing social workers. The University has a process for appealing a decision reached by a Student Conduct Administrator. The process can be found at <https://policies.uni.edu/302> under G. Appeals.

PROCEDURES FOR WITHDRAWING FROM THE SOCIAL WORK MAJOR AND/OR UNIVERSITY

If a student decides to withdraw from the Social Work program, they should meet with their academic advisor assigned through the Social Work Department. A Declaration of Curriculum form is completed and signed by the academic advisor. The form can be found at https://csbs.uni.edu/sites/default/files/declaration_of_curriculum.pdf.

If a student decides to temporarily withdraw from the University of Northern Iowa, they should meet with their academic advisor assigned through the Social Work Department. There is optional paperwork that the registrar's office encourages students to fill out. It is a withdrawal form and it allows the student to put a freeze on their account to ensure that there is no activity until they decide to return to UNI. It documents the reason for withdrawal and if the student will be returning so the account can be handled accordingly. The withdrawal forms can be found at https://registrar.uni.edu/sites/default/files/forms/withdrawal.form_0_1.pdf. The student should satisfy any current or past due balance with the University. Leaving a current or past due balance could affect the student's credit score if it goes to collections.

If a student decides to permanently withdraw from the University of Northern Iowa, they should meet with their academic advisor assigned through the Social Work Department. The student should contact the Office of the Registrar at (319) 273-2241 to notify them of the withdrawal. The student should satisfy any current or past due balance with the University. Leaving a current or past due balance could affect the student's credit score if it goes to collections.

OFFICE OF THE REGISTRAR ACADEMIC STANDING

Undergraduate Academic Standing Policy

Undergraduate students at the University of Northern Iowa are expected to meet academic standards set by the university and to demonstrate satisfactory academic progress towards earning a degree. Academic Alert and Academic Probation serve to warn students that unless their academic performance improves, they may be placed on Academic Suspension. No students in their first-semester in attendance at the University of Northern Iowa will be placed on Academic Suspension.

First-semester students (freshman and transfer students) at the University of Northern Iowa placed on Academic Alert or Academic Probation may be subject to conditions designed to increase academic success. A student who does not agree to these conditions may have their course schedule canceled for the semester.

All continuing students (students who are in their second semester or beyond at UNI) who are placed on Academic Probation should also seek assistance for academic improvement from academic advisors, the Academic Learning Center, or the Counseling Center.

Academic Alert

Any first-semester student who has a 1.00-1.99 UNI term GPA will be placed on Academic Alert. Only first-semester students new to the university can be placed on Academic Alert. While on Academic Alert, the student will be limited to 15 credit hours. Academic Alert is not recorded on the student's official academic transcript.

At the end of a student's semester on Academic Alert, one of the following actions will be taken:

- The student will be removed from Academic Alert and shall be in Good academic standing if their UNI cumulative GPA is 2.00 or higher.
- The student will be placed on Academic Probation if their UNI cumulative GPA is less than a 2.00.

Academic Probation

Any first-semester student who has a UNI term GPA below 1.00 will be placed on Academic Probation. Also, any continuing student will be placed on Academic Probation when their UNI cumulative GPA is below a 2.00. A student placed on Academic Probation must earn a minimum UNI term GPA of 2.00 for each semester while on Academic Probation until their UNI cumulative GPA reaches 2.00 or higher.

While on Academic Probation, a student will be limited to 15 credit hours. Once a student's UNI cumulative GPA reaches 2.00 or higher, they will be removed from Academic Probation. Academic Probation is not recorded on the student's official academic transcript.

At the end of a student's semester on Academic Probation, one of the following actions will be taken:

- The student will be removed from Academic Probation and shall be in Good academic standing if their UNI cumulative GPA is a 2.00 or higher AND their UNI term GPA is a 2.00 or higher.
- The student will continue on Academic Probation if their UNI term GPA is a 2.00 or higher and their UNI cumulative GPA remains below a 2.00.
- The student will be placed on Academic Suspension if their UNI term GPA is less than a 2.00.

Academic Suspension

A student on Academic Probation who fails to earn a UNI term GPA of 2.00 will be placed on Academic Suspension. Academic Suspension is for a minimum period of one academic semester and is permanently noted on the student's official academic transcript. Once suspended, a student will not be allowed to re-enroll at the University of Northern Iowa until they have been academically reinstated.

Readmission after Suspension

Academic Suspension is for a minimum period of one regular academic semester. Only with strong justification, demonstrated potential for future success, and an agreement to enter the Early Readmission program (ERP) would a student be readmitted prior to sitting out for a semester. Entry into the ERP does not remove the suspension from a student's record.

An undergraduate student who has been placed on Academic Suspension may be readmitted only after completing an application for readmission and receiving formal reinstatement from the [Committee on Admission, Readmission, and Retention](#). The application for readmission can be completed and submitted online.

To request early readmission prior to sitting out a semester, complete the [Application for Early Readmission from Academic Suspension](#). Readmission prior to sitting out a semester is contingent on the Committee's recommendation, and the student's acceptance of entry into the ERP. As a condition of reinstatement, a student will be subject to stipulations designed to increase academic success. A student who does not agree to these conditions will be denied early readmission or have their course schedule canceled for the semester.

To request readmission after sitting out a semester, complete the [Application for Readmission from Academic Suspension](#).

A student who is readmitted after a first suspension, either through admission to the Early Readmission Program (ERP) or after sitting out for one semester, will be placed on Academic Probation following Suspension. A student readmitted after suspension must earn a UNI term GPA of 2.00 for each semester until their UNI cumulative GPA reaches 2.00 or higher. While on Academic Probation following Suspension, the student will be limited to 15 credit hours for a semester. Failure to earn a UNI term GPA of 2.00 or higher will result in a second suspension.

A second Academic Suspension will be for two regular semesters (summer sessions excluded). Students suspended for a second time may apply for early readmission through the [Committee on Admission, Readmission, and Retention](#) by completing the [Application for Early Readmission from Academic Suspension](#), only after having sat out for a minimum of one regular semester.

If a student sits out for two regular semesters, then the student will complete the [Application for Readmission from Academic Suspension](#). A third Academic Suspension is considered permanent. Only the most extenuating circumstances would warrant consideration for readmission from Academic Suspension a third time.

At the end of a student's semester on Academic Probation following Suspension, including semesters in the Early Readmission Program, one of the following actions will be taken:

- The student will be removed from Academic Probation following Suspension and shall be in Good academic standing if their UNI cumulative GPA is a 2.00 or higher.
- The student will continue on Academic Probation following Suspension if their UNI term GPA is a 2.00 or higher and their UNI cumulative GPA remains below a 2.00.
- Following a first suspension, the student will be academically suspended for the second time if their UNI term GPA is less than a 2.00.
- Following a second suspension, the student will be permanently academically suspended if their UNI term GPA is less than a 2.00.

Undergraduate students wishing to discuss the Undergraduate Academic Standing Policy at UNI, or seeking information regarding readmission after Academic Suspension, may make an appointment with [Nicole Lehman](#), Office of the Registrar, Gilchrist 115 or call [319-273-2296](#).

UNIVERSITY RESOURCES & POLICIES

UNI Rod Library

Rod Library faculty and staff can help you be successful with research assignments, so take advantage of their free services. Each department has a designated librarian to support your needs. **Anne Marie Gruber** is our liaison librarian for this course. You are encouraged to make appointments with her at

<https://uni.libcal.com/appointments/AMG> and she can be reached at anne.gruber@uni.edu or (319) 273-3711. She also holds weekly office hours in McCollum and Sabin Halls. Here is a link to the library's guide for [insert subject or course guide name]: [insert link]

Librarians can help you with:

- Getting started by finding and narrowing a topic/research question
- Searching for a book, article, or data to support your paper, poster, or other project
- Tips and tricks for finding resources as well as using library databases and Google efficiently
- Evaluating search results and sources for the most relevant and reliable sources
- Citing sources and creating your bibliography

You can also stop by, chat, email, text, or call the library all hours the library is open. (www.library.uni.edu/research/ask-us).

The Learning Center @ Rod Library

The Learning Center @ Rod Library provides free tutoring for a variety of different areas (i.e. writing, math, science, business, Spanish, college reading and learning strategies). The Learning Center @ Rod Library is open for walk-in assistance Monday-Thursday 10am-10pm and is free of charge for all UNI students. If you are unavailable during normal tutoring hours, online tutoring is also available through Smarthinking. You will need your CATID and passphrase to gain access. To access the Smarthinking platform go to <https://tlc.uni.edu/online>. For more information, go to <https://tlc.uni.edu>, email TheLearningCenter@uni.edu, call 319-273-6023, or visit the TLC desk located on the main floor of Rod Library.

UNI Web Site Accessibility Guideline

The University of Northern Iowa endorses the guidelines of the World Wide Web Consortium (W3C) as the standard for World Wide Web accessibility and compliance with the Americans with Disabilities Act. <http://www.uni.edu/resources/disability>

Student Accessibility Services

Student Accessibility Services (SAS) supports the campus community with ensuring an accessible educational environment for students with disabilities. The University of Northern Iowa (UNI) complies with the Americans with Disabilities Act Amendments Act of 2008 (ADAAA), Section 504 of the Rehabilitation Act of 1973, the Fair Housing Act, and other applicable federal and state laws and regulations that prohibit discrimination on the basis of disability. Students with disabilities experiencing a barrier to access should connect with Student Accessibility Services (SAS) to request accommodations. SAS views disabilities as an integral part of the rich diversity at UNI and works collaboratively with students, faculty, and staff to create an accessible educational environment for students. UNI faculty are not obligated to provide accommodations for students with disabilities without proper notification from SAS and the student. Students may initiate the accommodation process at any time. However, accommodations are not retroactive, and the process for getting connected takes time. Therefore, SAS staff always recommends that students initiate the process as soon as possible rather than wait for academic and social-emotional responsibilities to become overly stressful and/or overwhelming. Information is also available at sas.uni.edu. For the safety of our students and staff members, SAS encourages students, faculty, and staff to connect with our office virtually for appointments through Zoom or over the phone. If a student has any questions or concerns at any point in the semester, please contact SAS at (319) 273-2677 Relay 711 or accessibilityservices@uni.edu. A member of the SAS team will be available throughout the week to answer phone calls and respond to emails. For questions related to COVID-19, please visit the SAS COVID-19 Questions page.

Blackboard Accessibility Statement

Blackboard® is fully committed to ensuring that our platform is usable and accessible. Blackboard measures and evaluates accessibility levels using two sets of standards: Section 508 of the Rehabilitation Act issued from the United States federal government and the Web Accessibility Initiative (WAI) issued by the World Wide Web Consortium (W3C). For more information, please see <http://access.blackboard.com/> and <https://uni.edu/elearning/newelearning-system-ada-compatible>

UNI Academic Ethics/Discipline Policy

Students at the University of Northern Iowa are required to observe the commonly accepted standards of academic honesty and integrity. <http://www.uni.edu/policies/301>

UNI Student Code of Conduct Policy

The university's student conduct code maintains the principles of respect, honesty, and responsibility to create a safe, healthy environment for members of the campus community while preserving an educational process that is consistent with the mission of the University. <http://www.uni.edu/policies/302>

Office of Compliance and Equity Management

The University of Northern Iowa does not discriminate in employment or education. Visit 13.03 Equal Opportunity & Non-Discrimination Statement (<https://policies.uni.edu/1303>) for additional information.

Absences related to COVID-19 illness, self-isolation, or quarantine

Faculty must be prepared to have assignment alternatives for individual students who are unable to attend class due to COVID-related health issues. To utilize these alternative assignments, students must report the issue by completing the Panther Health Survey; students directed not to come to campus or who are unable to participate in class due to COVID-19 related illness, self-isolation, or quarantine should utilize the information provided in the survey to have their faculty notified of their need to be absent. These same instruction/assignment alternatives should also extend to field experiences that students may not be able to attend for the same reasons. Questions related to COVID-19 testing should be directed to the Student Health Center COVID line (319) 273-2100, Monday-Friday, 8:00 am - 4:30 pm.

Students who have concerns about an underlying health condition(s) and the risks of attending classes, living in a residence hall, or any other aspect of the educational experience due to COVID-19 should consult with their health care provider. Please connect with Student Accessibility Services as soon as possible to discuss accommodations specific to your access needs.
