12 PM
ROD LIBRARY,
SCHOLARSPACE

PRESENTED BY JAYME RENFRO

Jayme Renfro is an assistant professor of political science at the University of Northern Iowa. Her teaching specialties include public administration and public policy in the United States. Dr. Renfro's research focuses on American political behavior, or the whys and whens of voter turnout and political ideology. She is currently working on a book on issues in state government for use in political science classrooms and recently presented research on education funding in Iowa to the Southern Political Science Association.
